MEMBERSHIP — TWENTY CENTS

FIRST PRIZE — \$5.00

REPORTER
JULIE ANN DELAY
Box 106
Cape Yakataga, Alaska 99560

Dear Archie,

I would like to tell you about last summer's experience with a bear. This incident happened at the beginning of school.

It was early in the evening that we decided to go to a dump in the woods, to see if there were any bears. When we got to the dump there weren't any bears so we decided to go home. Just as we were ready to park the car by the road we saw a black bear eating half lamb's food on our back porch!

Our Mom and Dad told us to stay in the car while they went in to get the gun and camera. Meanwhile the bear was still chomping away . . . until he saw Dad with the gun. Then he walked slowly down the porch, and when he was just about past a corner of the back part of the house he turned around, and looked at Dad and Mom. Dad took a picture and the bear went on around the house. Dad followed and took a shot with the gun. The bear turned around and charged Dad but Dad got in. By then we were all in.

About thirty minutes later Dad went out to let our dog in. But he wasn't there! Something else was! Can you imagine being about a yard away from a black bear? Oh boy! He slammed the door and held it there for about three minutes. By that time the bear was in the woods. The next morning our dad was working and we were in school. So Mom was alone at home. So she was going to let our dog in, and that same bear was on the porch!! She called up Dad, and he

killed the bear. Now we have a big bear pelt!

SECOND PRIZE — \$3.00

REPORTER
JOHN MANOUEL

Box 1252, New York, N.Y.

Dear Archie,

When we were driving through Yugoslavia early in the morning we saw a boulder in the road ahead of us. When we came to it we tried to avoid it by driving around it. Doing so our left tires got stuck in a seven or eight inch ditch. We all got out of the car. My mother sent my brother to get a friend, and when they came back we all tried to figure out a way to get the tires out. Other men walking by stopped to help. Nearby there was a pile of bricks. We took some bricks and made a ramp for the tires. We put the car in reverse and got out. It took about two hours to get out. The men who helped refused any small payments so we gave them each a package of cigarettes that we had left in the car. We made it to our destination and were only a couple of hours late.

THIRD PRIZE — \$2.00

REPORTER
CARRIE CHRISTOFFERSON
3 Thorndell Drive
St. Louis, Mo. 63117

Dear Archie,

This is my first news report, so for a starter, I think I will tell you about myself.

I am eleven and half years old. I have two sisters and five brothers, ranging from

23 (almost 24) years of age to 7.

When I was six months old, we moved to this large, old house, and have lived here ever since.

Lately I have been studying magic, and I now know several tricks. I have been trying to earn a little extra money and giving magic shows is a good way of doing so.

I also put on puppet shows. Last Christmas, one of my gifts was a puppet theatre with six marionettes. It has been very useful to me this summer.

Next summer I plan on starting a play-school for younger children with lots of things to read and do. I'm sure one of the major attractions will be Archie comic books.

FOURTH PRIZE — \$1.00

REPORTER
RITA SCHROEDER
671 51 Street
Brooklyn, New York

Dear Archie,

One day when just my brother and I were in the house, I had nothing to do. So I found two old calendars with thermometers on them. My brother got an

ice cube from the freezer and lit a candle. Then he put a thermometer near each one of them. The one near the ice cube went down to 30 degrees but the one near the candle went up to 120 degrees and popped. That was really fun!

FIFTH PRIZE — \$1.00

REPORTER
DIANE SCHULTZ
34026 Sequia
Westland, Mich. 48184

Dear Archie,

I am writing to you about my pet duck named George. Two years ago my teacher got some duck eggs from a nearby farm and my class hatched them in an incubator. I got one of them when the duck was only a week old. When naming my duck, I thought it was a boy. But I found out differently this past winter when she began laying eggs. This spring while we were having a garage built, I left my duck at my friend's house. She has two male ducks. The ducks mated and five weeks later George began sitting on several eggs. The eggs are due to hatch any day now. I am very excited.

SPY PEN

FOR REAL UNDERCOVER OPERATORS

You can now keep constant check on anything that happens all around you regardless of walls, floors or ceiling. Spy Pen penetrates solid barriers, makes any wall an open door. Yes, it even lets you look down into rooms beneath you. We will let your own imagination trigger all the possible uses Spy Pen has for you.

A PRECISION INSTRUMENT

The basic concept of Spy Pen was developed by the German Secret Service during World War II and devices based on the Spy Pen principle are being used by Interpol Agents today. Your Man From Uncle Spy Pen is a master of Precision Engineering. The powerful yet tiny lenses have been ground to within a 100,000th of an inch to give you maximum clarity and wide angle vision so that you can observe both side walls, front wall, ceiling and floor at the same time. Spy Pen has such an expanded vision that you can actually see around corners.

CONVERTS TO POWERFUL TELESCOPE

Only SPY-PEN lets you close in telescopically on any item of interest. No other device has both these features, wide angle secret vision and close-up inspection.

CLIPS TO YOUR POCKET

SPY-PEN looks like an ordinary fountain pen in your pocket. Even if seen it will not be suspected as the incredible instrument with such amazing powers of penetration.

An Amazing Invention — "Magic Art Reproducer"

DRAW ANY PERSON IN ONE MINUTE!

NO TALENT! NO LESSONS!

You Can Draw Your Family, Friends, Anything From REAL LIFE — Like An Artist . . . Even If You CAN'T DRAW A Straight Line!

Anyone Can Draw With This Amazing New Invention—Instantly!

ARTIST'S CONCEPTION

Complete for only **\$1.98**

De Luxe Model—with extra high power, extra clear and sharp "reproducer" unit.

A New Hobby Gives You a Brand New Interest!

Yes, anyone from 5 to 80 can draw or sketch or paint anything now . . . the very first time you use the "Magic Art Reproducer" like a professional artist—no matter how "hopeless" you think you are! An unlimited variety and amount of drawings can be made. Art is admired and respected by everyone. Most hobbies are expensive, but drawing costs very little, just some inexpensive paper, pencils, crayons, or paint. No costly upkeep, nothing to wear out, no parts to replace. It automatically reproduces anything you want to draw on any sheet of paper. Then easily and quickly follow the lines of the "picture image" with your pencil . . . and you have an accurate original drawing that anyone would think an artist had done. No guesswork, no judging sizes and shapes! Reproduces black and white and actual colors for paintings. Also makes drawing larger or smaller as you wish. Anyone can use it on any desk, table, board, etc.—indoors or out doors! Light and compact to be taken wherever you wish. No other lessons or practice or talent needed! You'll be proud to frame your original drawings for a more distinctive touch to your home. Give them to friends as gifts that are "different," appreciated.

Have fun! Be popular! Everyone will ask you to draw them. You'll be in demand! After a short time, you may find you can draw well without the "Magic Art Reproducer" because you have developed a "knack" and feeling artists have—which may lead to a good paying art career.

Insure your future with an I. C. S. High School diploma

Not many people would deliberately take a chance with their future. Especially when it comes to their job and social life. But—that's exactly what you may be doing when you fail to realize how important a high school diploma is to your future.

Lack of a high school diploma can automatically keep you from getting a better paying job. Or it can set you apart socially from other people who did finish their high school education.

How can you avoid taking such a risk without going back to school? The answer is International Correspondence Schools. You can *insure your future* with an I. C. S. High School diploma.

I. C. S. is the world's oldest and largest home-study school. I. C. S. offers High School courses accredited by the National Home Study Council. You earn your I. C. S. High School diploma at home—in your spare time—at your own pace.

You take only the courses you need. You get personalized guidance and instruction along every step of the way.

The I. C. S. method is recognized by thousands of businesses and industries across the country. Tens of thousands of former students who have achieved amazing success are living proof of the results you can expect.

To prove how easy it is for you to finish your high school education—actually to insure your future—I. C. S. will send you a **FREE** career kit with 3 famous booklets that have helped so many people just like yourself: (1) "How to Succeed" career guide, (2) a High School catalog and (3) a sample lesson to demonstrate this famous method.

Take a moment now to mark and mail the coupon. There's no obligation. Remember it's your future. Insure it by mailing the coupon *today*.

Clip coupon here—and take your first big step to real success!
